## 19 ALCOHOL

During any event, consumption of alcoholic beverages in the paddock, pits or any other portion of the competition venue under the control of the officials is expressly forbidden until all practice or competition activity is concluded for each day. Any driver or crew member who is found to be affected by alcohol on the day of the event or practice therefore shall not be permitted to participate. Refer NCR 145A of the Current CAMS Manual. In addition, the persons concerned will be subject to the Articles of the Standard Operating Procedure for Alcohol Testing and CAMS Anti-Doping Policy. Competitors, crews or officials may be randomly tested for alcohol by a CAMS Accredited Testing Official (CATO) or other drugs at any time during the event(s).

## 20 INCIDENT REPORTS

Each competitor will be supplied with two Incident Report Sheets. In the event of an accident, or a competing vehicle becoming disabled (other than temporarily) one crew member must complete, as soon as possible, an incident Report. Navigators should carry a pen or pencil for this purpose. The Incident Report must then be handed to the next competing vehicle to arrive on the scene. It is a requirement that this vehicle stops and receives the Incident Report. Following crews are not required to wait while verbal messages are given. The next competing vehicle is to give the Report to the next Control they come to.

However, in the event of an accident where physical injury has occurred (or appears to have occurred) time may be allowed, at the Clerk of the Course's discretion, to one or more of the following vehicles if they have stopped to render assistance. Any such claim for time allowed must be lodged in writing with the Director and must be substantiated by a crew member from another vehicle or an official.
