Article 13 Advertising and Marking of Vehicles

For guidance on applying door numbers, delete reference to the 2018 Queensland Rally Handbook in article 13.1.

Article 13.3 may remain but will not be relevant to numbers applied.

Car numbering supplied by the organisers will now be of the style used in ARC rounds consisting of:

- A pair of door numbers affixed to the front doors of the vehicle as referenced in Area A1&A2 in the diagram below. Note: **the car number must be to the front of the car on both sides.**
- An orange car number will be supplied to be affixed to the rear wind screen of the vehicle in the upper left hand corner when viewed from behind the vehicle. This is to help with identification by SOS crews at night.
