Message from the Clerk of Course

After the unfortunate postponement, the time has been used to full advantage to overcome some of the difficulties produced by the recent weather and make some subtle changes aimed at further improving the event. June means earlier sunsets. So timings have been adjusted accordingly meaning an earlier start, and importantly on a chilly evening, and earlier finish. The most significant change is the introduction of the new 'Castaways' stage. Course Checker Kent Lawrence has used a rally car to survey the new stage from a driver's eye view. The new stage is something that only the oldest and boldest will remember, so it should be new to almost all. It is fast, flowing and technical. Fortune will favour the brave and the talented. So we look forward to seeing you all in June.
