BRISBANE SPORTING CAR CLUB Ltd

MAGAZINE - JANUARY 1984

Editorial

1984 and only 2 years before Haleys Comet smashes into the earth and knocks us into the sun! - it's true, look what Nostradamus says :-
(No 31 of Century X)

Four years after the Evil Brute was President of the B.S.C.C.
When the Poms will thrash the Aussies at cricket
And an Off Road member who is not Jim Adness or Cedric Loy will be seen wearing a necktie

A large space object playing 'Rock around the Clock'
Will punch the earth right on the conk
Soon it'll be as hot as a clubroom beer.

(Obviously line 1 refers to Mike Mitchell, as to the bottom line, old N's crystal ball must have plugged in on a Wednesday night when the fridge wasn't working, in the repressive days on the 16th century I wonder what he thought of the gorgeous woman who raise the standards of our Wednesday nights? But wait what's this, of course the old boy must have seen me typing this because there's a message at the back of the book - it says "Eee Baa Gumm I were't born in't wrong century lad" (Nostradamus must have been educated abroad).

- I'm sure the whole Committee join me in wishing all those who have paid their dues the very best for '84, although I'd like to limit the amount of my goodwill amongst the Night Run and Motorkhana crowds, for those who have no intention of paying to belong to the B.S.C.C the Committee hopes that they regurgitate their Christmas dinner down the front of their mother-in-law.

Usual New Year Editorial

We do not ask for your brains, because "Do not ask for that which cannot be given" (Ecclesiasties IX, XXV), we want your hands, the sweat from your brow, the sinews of your legs, your firm bosom thrusting against the wet T shirt ... whoops got carried away there.

If you'd like to help the club in the running of its events in any capacity what-so-ever, then ring Frozen Tundra 352 (Toll Fee) 3am - 5am (That's 10am - 12 am the previous day in Alaska) and ask for Esquimox Willing Horse, or speak to any Committee member or the man behind the bar on a Wednesday (or indeed a Friday) night.

1984 Practical Jokes - No. 1

(Look at the number of PARAGRAPHS here, makes a bloke feel kind'r humble).

Over the Christmas period TIMS and I took a major step in our climb up the social scale to a sweltering brick veneer in Chelmer that will flood on a regular basis.

We've moved from Woodridge to Corinda, knocking 20 minutes off my travel time and adding 5 mins to TIMS, this is known as "The Male Perogative" or "One word and I'll flatten yer".

One of the reasons for the move, bizarre as this may sound, is that for the past 6 months my only good nights sleep have been in other peoples beds (come to think of it, too much can be made of that last statement). The reason is that every morning, for 15 minutes before dawn to half an hour after it, a long thin bird has perched on a tree outside the bedroom window and screeched WHEEP, WHEEP, WHEEP - like a fork being scraped down a plate. This has affected me far more than TIMS, but she has after all a reputation for being an insensitive yobbo (well look who she married) and makes a bloke fill a page with empty holes called paragraphs.

(New Paragraph)

We've been out hurling things at this bird, we'd played the hose on him, we'd left TIMS' picture up there as a frightener, she'd used a very long pole to hoist some of my soiled (what a apt word) underwear up there - but this bird had NO sensory perception whatsoever.

However once we'd sold our house I got up one morning and switched on the recorder I'd placed at the front door, to keep our Dicky Birds notes for posterity.

Came the day of the move and Peter Marshall and my nephew David were heaving great lumps of gimcrack furniture upstairs while I held the plasma bottle. TIMS of course was at work all day painting her toenails and taking one tiny sheet of shorthand. Peter Marshall disturbed my afternoon snooze (and didn't they take their time getting the four poster up the stairs) when he switched the fridge on and it burst into smoke - clumsy some people.

That night while only the owl didn't sleep. HOOT, HOOT. And TIMS slept the sleep of the exhausted after wax polishing the roof truss of our old house, I put the small radio/tape player under the bed.

I woke up at 6.30 (the owl was off duty then if your interested) reached down and switched the tape on, and the room was filled with WHEEP, WHEEP, WHEEP etc etc at full volume.

TIMS eyes snapped open and she turned to me, "It's the same bird" she said in a voice full of indignation and panic, "It's so loud it must be in the roof" with that she leapt out of bed and ran round glaring at the roof. This response exceeded my rosiest expectations. Her size 7's thundered round the house until she returned and hung out the window (she wasn't wearing a bra of course) with the hands unclenching and clenching, her eyes rolling and her teeth grinding.

I said "O I must have accidentally put this recording on" and I reached over and switched the tape off. The sudden silence was only disturbed by TIMS' savage hunting cry and the noise of my diving under the pillow.

PRESIDENT'S REPORT - 7TH DECEMBER 1983.

MY FIRST THOUGHT OF MY YEAR AS YOUR PRESIDENT IS ONE OF DISAPPOINTMENT. NATURALLY I HAD HIGH HOPES OF ACHIEVING MUCH BUT IN RETROSPECT IT SEEMS THAT THE TIME IS TAKEN IN JUST TRYING TO KEEP UP WITH THE EVERY DAY AFFAIRS OF THE CLUB.

GOALS SUCH AS EVENT DIRECTOR AND CONTROL OFFICIAL SCHOOLS - OBTAINING A LARGE AREA OF LAND FOR CLUB USE - A MOTOR SPORT SHOW AS A MEANS OF EXPANDING MEMBERSHIP AND HOPEFULLY CONTRIBUTING A LARGE PART OF OUR NECESSARY INCOME HAVE BEEN DISCUSSED AND TOYED WITH BUT AS YET HAVE NOT COME TO FRUITION.

SOME OF MY AIMS HAVE BEEN ACHIEVED. WE ENJOY TODAY A MUCH BETTER RELATIONSHIP AND UNDERSTANDING WITH C.A.M.S. THAN WE DID. THIS HAS BEEN ASSISTED IN NO SMALL WAY BY OUR EVER HELPFUL ADMINISTRATION OFFICER, ESME GIBSON.

I HAVE ALSO SPOKEN TO MOST OF THE OTHER CLUBS REGARDING GROUNDS FOR THE ANTI-B.S.C.C. FEELING THAT SEEMED TO ABOUND AND WHEREBY THEY STILL BELIEVE THAT WE ARE JUST A MONEY MAKING ORGANISATION, THE REAL POINT IS THAT WE DO HAVE A GOOD WORKING RELATIONSHIP WHICH HAS ALLOWED US TO SWOP AND MOVE DATES THROUGHOUT THE YEAR.

THERE IS NO NEED TO TELL YOU WHAT A DISASTER THE WEATHER HAS BEEN TO THE RUNNING OF EVENTS THIS YEAR.

THIS LACK OF EVENTS AND FALSE STARTS TO THOSE THAT WE DID RUN ARE REFLECTED IN THIS YEAR'S BALANCE SHEET. WITH ALL THESE PROBLEMS THE B.S.C.C. STILL MANAGED TO PROMOTE AND ORGANISE THE BULK OF MAJOR EVENTS RUN THIS YEAR.

AMONG ALL THE GLOOM THERE HAS TO BE SOME BRIGHT SPOTS AND ONE OF THESE HAS BEEN OUR INVOLVEMENT WITH JAMES HARDIE INDUSTRIES FOR TWO EVENTS THIS YEAR. WE ARE HOPEFUL THAT WITH THEIR ASSISTANCE IN 1984 THAT WE WILL BE TAKING A LOT OF THE GLAMOUR AND GLORY AWAY FROM THE SOUTHERN ROUNDS OF THE A.R.C.

MEMBERSHIP FELL SHORT OF THE MAGICAL 500 BY ONLY TWO BUT SADLY AS THE CLUB GROWS PARTICIPATION BY MEMBERS SEEMS TO DROP. IT IS A CONSTANT GRIND TO FIND NEW ORGANISERS AND HELPERS AND THE LOAD ON THE 'OLD FAITHFULS' IS STARTING TO TELL.

I LOOK FORWARD TO NEXT YEAR OPTIMISTICALLY, I AM A LITTLE MORE EXPERIENCED IN CLUB AFFAIRS AND TRUST THAT OUR BOARD HAS ALSO LEARNED FROM OUR RAMBLINGS OVER THE YEAR.

MY BIGGEST CONCERN FOR THE CLUB IS A SEEMING LACK OF CO-OPERATION AMONG FACETS OF MEMBERS. THIS IS MORE IMAGINED THAN REAL IN MY OPINION BUT I IMPLORE YOU, ONE AND ALL, TO WORK TOGETHER FOR THE STRENGTH OF OUR CLUB AND BETTERMENT OF ALL BRANCHES OF MOTOR SPORT.

IT WOULD BE UNTHINKABLE NOT TO THANK THOSE WHO HAVE ASSISTED MYSELF AND THE CLUB BY THEIR PARTICIPATION AS COMPETITORS, ORGANISERS OR THE WORKERS WHO MAKE THINGS POSSIBLE BUT IT WOULD TAKE FAR TOO LONG TO MENTION THEM BY NAME. TO ALL THOSE PEOPLE, MY DEEPEST GRATITUDE. SPECIAL MENTION MUST BE MADE HOWEVER FOR THE EFFORT OF ESME GIBSON. ESME PUTS IN FAR MORE THAN SHE GETS PAID FOR AND IS A TIRELESS WORKER FOR THE CLUB, AND HAS MADE LIFE MUCH EASIER FOR THE BOARD MEMBERS, EVENT ORGANISERS AND PARTICULARLY ME, ESME - THANK YOU.

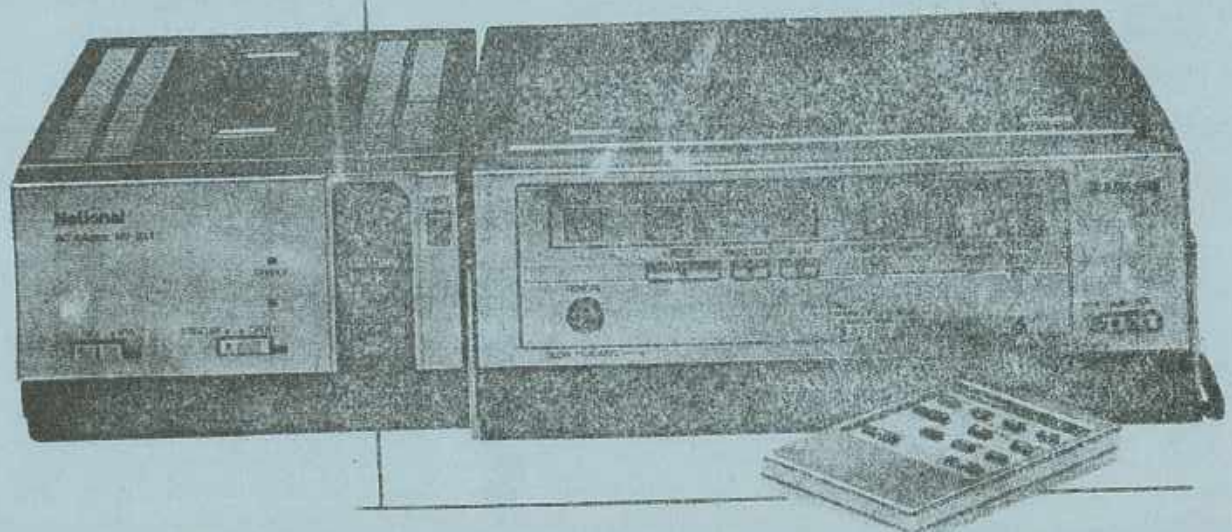

IN CONCLUSION I WOULD LIKE TO THANK THE BOARD MEMBERS FOR THEIR SUPPORT THROUGHOUT THE YEAR AND TRUST THAT THE NEW BOARD WILL CONTINUE WITH THE FORWARD AND FORTHRIGHT THINKING THAT WE EXPERIENCED THIS YEAR.

THANK YOU FOR ALLOWING ME TO SERVE AS YOUR PRESIDENT AND PLEASE HELP ME TO MAKE THE B.S.C.C. THE SUCCESSFUL, FRIENDLY AND PROGRESSIVE CLUB THAT WE WOULD LIKE IT TO BE.

JIM REDDIEX.

CO-EFFICIENT SERIES

AS RECOMMENDED AT THE A.G.M, DETAILS OF THE CO-EFFICIENT SERIES ARE BEING PRINTED IN FULL. A SPECIAL MEETING WILL BE CALLED EARLY IN THE NEW YEAR TO DISCUSS THIS SUBJECT AND OUR FINDINGS FORWARDED TO C.A.M.S.

1. Maximum of nine (9) rounds.
2. Three (3) Coefficients:-

COEFFICIENT 1 - a) Lowest grade event
b) Points to count as per Qld. Addendum
c) These events will, it is envisaged, be of the following types:-
First time directors
First time clubs
Organisers who haven't had a good record in the past
Clubs who haven't had a good record in the past
d) Generally, these events should have timing to no less than increments of a 1/4 minute.
e) Generally, these events should not form a round of any other Championship, i.e. Clubman/Novice but may form part of a Series, i.e. Southern Series and North of the Tropic Series.

COEFFICIENT 2 - a) Middle of the road type event - may have some problems in the past but generally fair organisers/directors. Basically for organisers/directors who have organised Q.R.C., Open or good closed events in the past.
b) Timing may go to increments of 1 second but this type of event should be considered before granting automatic approval.
c) This type of event is to be considered a stepping stone to Coefficient 3 events and conversely to Coefficient 1 events.
d) Points will be as per the Qld. Addendum with a multiplication factor of 1.5, i.e.
FIRST 15 x 1.5 = 22.5
SECOND 14 x 1.5 = 21.0
THIRD 13 x 1.5 = 19.5
ETC.
15TH 1 x 1.5 = 1.5
16TH 0 x 1.5 = 0
e) These events may form part of any Championship or Series, i.e. Clubman/Novice, Southern Series, North of the Tropic Series.

COEFFICIENT 3 - a) The top events
b) For organisers/directors who have a proven record of quality
c) The A.R.C. round in Queensland should be included as a round of this A.R.C. as a Coefficient 3 round being the top event in the State in any given year.
d) There would be no necessity to instigate specific prizes/awards in the Qld. A.R.C. round over and above those already organised.

- e) These events should be automatically recommended for second timing.
- f) All regulations for the A.R.C. round of the Q.R.C. are to take precedence over those of the Q.R.C. where conflict occurs.
- g) Points to be as per the Qld. Addendum with a multiplication factor of 2, e.g.

FIRST	15	x	2	=	30
SECOND	14	x	2	=	28
THIRD	13	x	2	=	26
15TH	1	x	2	=	2
16TH	0	x	2	=	0

It is envisaged that the top Coefficient Round, Coefficient 3 would be the hardest to attain.

It should also be borne in mind that just because a club/director has a Coefficient 3 event one year, that doesn't automatically entitle that club/director to the same Coefficient next year. The RAC is going to have to vet each application for a Q.R.C. round each year and decide its rating based on previous information, including Stewards Reports. Notwithstanding the above, the Qld. Round of the A.R.C. is exempted from this criteria.

It is envisaged that the number of Coefficient 3 rounds should not exceed 3.

The number of Coefficient 2 rounds should not exceed 5.

The number of rounds to count should be as follows:-

- Coefficient 3 events - all
- Coefficient 2 events - two less than that number allocated excepting that if there are only 3 rounds - 2 count, or less, all count.
- Coefficient 1 events - At least 1 provided that there is at least 1 round. More if RAC feels there aren't enough rounds of the above Coefficient 2 and 3 events.

If there are only 5 rounds altogether or less, all count.

I suppose it's almost impossible to drag you lot away from the job of sending off your club dues to Esme' (hint, hint) but let us not forget a few things that happened in December....

The Christmas Party

Dennis Brown had worn himself to the bone organising this bacchanalian feast of food and music, the attendance wasn't too big - a case of 'The right crowd, and no crowding', nevertheless a splendid time was had by all present.

(This space denotes that the paragraph above had finished and a new one is about to begin)

The function was held at the Pacific Golf Club and when we arrived Dennis was testing the grub out on the local cat, when the feline didn't collapse Dennis shouted "She's fit" and the huge domineering bulk of the Club Admin Officer Esme' Gibson barged to the front for the first chop. A person who is not only not a club member, but one who gives your Editor curry to boot (or was it boot to curry ?).

We had 85 different sorts of meat (from Aardvark slices to grilled Zyboo (it says in my Cassells Animal Dictionary)) and Grim Salad - the sort of thing you bolt down to get it out of the way, although The Incredible Mrs Smith said it was "luverly" during her Eliza Doolittle impersonation.

Now let's remember who behaved atrociously :- KERRY PAYNE told me a long joke about someone called "Yo Yo Knickers" to which I mercifully turned a deaf ear. Esme and Viv Gibson were eating like Poles in a closed supermarket. Finally Viv was crawling upto the food table for eighths when the last bubbling bowl of boiled Bertibeast was whisked away - his shriek was more of relief than anquish. Esme's Grand Departure to the Waiting Carriage (a 1962 Ford Anglia) would have been more elegant if a slice of roast beef hadn't been poking from her coat pocket. Kathstrine Tegg almost had a dress on, "Jeez Mr Smith" she cried "It fair freezes yer norks". Club President Jim Reddix was impersonating Sir Les Patterson (Cultural Attache to the Court of St. James') and he was telling everybody to call him Mr Knight before falling in the punch.

(Perhaps it's time for a new paragraph, I think that when they did "Paragraphs" at St. Nancy's High I must have been away because they mean very little to me. However Her Indoors, She Who Must Be Obeyed, TIMS, has said "MORE PARAGRAPHS OR NO MORE NICE CHINESE DINNERS" and who am I to argue.)

Anybody noticing Brian Swinton dancing and being somewhat surprised by his abundant energy would have been unaware that foul Coral Taylor had turned his pacemaker up.

When the party was at its height (or bottom as the case may be) and Phil Stephan was hanging from the chandelier with his trousers round his ankles singing songs from Mahler, Dennis Brown shouted "I'm responsible for all this" and tried to blow his brains out with a zucchini - it was that sort of night.

PS - During the merriment Mike Mitchell sat looking very Po faced, like a Wombat who's sat on a turnip, I think I preferred the old dreadful one.

We cannot claim that these are the final figures this year as the MAZDA CENTRE SPRINGWOOD RALLY due to be run on January 21st will be a round of the 1983 B.S.C.C. Rally Championship - however I cannot see the results of this event having any great effect on the overall Club Championship.

LADIES RALLY - Organised by the Northern Districts S.C.C.

February 4th (we think) weather permitting. A classic annual run through the forests for the ladies, I don't have any further details but the Secretary of the N.D.S.C.C., Phil McLoughlin on 283 1182 has.

TASTEFUL DESIGN.

Now I can just picture you all throwing up your hands and saying "Sho enuff, is dis all dat there id to do, what a bum deal" but the big problem I have is finding anyone who knows whats happening. I phoned Errol Bailey 20 times in hope that Mrs Bailey would answer the phone - I was going to say "Hullo this is the Strip-a-ge-go Night Spot, will Mr Errol Bailey be renewing his membership this year ?"

There are many reasons why we race and rally Mazda

1. We like the sport
2. Mazda is a reliable product
3. It gives us experience in preparation of cars
4. Our work shop staff become better mechanics
5. We can do a better job for our customers
