NOTE FROM GOONDIWINDI

Dear Ed,

Well, now that the washing is done, with hardly a burr or a prickle (and the filter of the washing machine didn't clog up once) that is all the comment from Pat the housewife- which phenomenon occurs for about six hours a week.

Back to the event- must have been the most perfect weekend ever at Goondiwindi, NO FLIES-----NO PRICKLES----- just bright sunlight (and hot) with a light breeze.

We were the last car scrutineered in town and headed back to the motel for lunch (beside the pool), although those hardy souls who camped at the track didn't have it too bad either- right on the riverbank- lots of trees and within shouting distance of the weir.

Seemed a pretty organised operation on Saturday. The full length prologue met with the approval of most of the crews- very logical actually- I think it evens out the all rounders and the sprinters as very well.

Loved the water tanker (even though 'he who shall be nameless' pulled a feature at the start of his prologue). Only one minor problem on Saturday (that anyone noticed anyway) but this was overcome by the initiative of the organisers- greta thinking boys.

Sunday went very well for almost everyone - the breaks between loops were most welcomed by the crews- it was just too hot for continual running. Even with the problems of the size of the track (25km's I think) and 2 mins between vehicles- things kept moving all day and allowed most of the vehicles to finish their last loop by 3.00PM.

All in all it was a great weekend- much better than we anticipated- things ran smoothly- no hassles with officious officials- and we finished as well '!!!'

Good show Russell- keep up the good work- Look out Kooralbyn!

See you next event,

PAT McCREERY

FORTHCOMING EVENT

On the 12th and 13th of April, the I.W.M.A.C. are running "The Halley's Comet Rally", a closed invitation event held in the East Nanango area. Distance is approximately 90 km.

Entry fee is \$45 not including personal accident insurance, and they close on the 2nd of April. A Basic Licence or higher is all that is needed and there is a road car class.

Awards include \$100 for 1st outright, \$50 for winning your Grade in Clubman / Novice and \$50 for 1st PRC.

There are also stage awards and best presented car award. Sponsors include GP Cars, Ian Boettcher Motors, Road & Race Spare Parts (Avon Tyes Motorsport), Berkleee Australia, Tonal Stainless Steel, Westpac Bank (How?), A1 Auto Spares and Lockyer Wreckers. Director is John Dobbie. Phone 282 2540 (H).

CRYSTAL BALL

By the time you read this the Grand Prix Mazda rally will be run and won.

Peter Glennie has entered two cars a la Dick Johnson and must start favourite if he runs the 1200. I think Dennis Brown with new found extra horses and trick suspension will be very hard to beat in the Subaru.

Gary Batts has entered a Gemini ZZ which is the twin-cam version, in PRC and that should be interesting. I think Ron Hendrickson will also be a potential winner although he may be debuting a new car as well.

SEEDING LIST

Elsewhere in the magazine you will see the latest (prior to MG Rally) seeding list for Rally drivers. A new system of driver grading has been adopted for Queensland and I think will work out well. This is it.

GRADE 1 - Persons who attain a D.P.I. of at least .9500 and Nationally Classified drivers who don't so qualify.

GRADE 2 - D.P.I. of .9200 to .9499 inclusive

D.P.I. = Driver Performance Index.

GRADE 3A - D.P.I. of .8900 to .9199 inclusive

GRADE 3B - D.P.I. of .8600 to .8899 inclusive

GRADE 4 - D.P.I. of below .8600 excluding .8600

That means that if you drop a couple of positions in the seeding list after an event it means you could also change Grade from event to event. This will probably only effect drivers near the cut off points between Grades. Once a Clubman or higher grading is attained a driver can never go back to Grade 4.

Notable Grade jumpers from last year include Tony Gray up to Classified in only his second full year of competition, Kevin Harvey up to Classified, ditto Barry Mann, Gary Marshall up to Grade 2, ditto David Johanson, ditto Greg Whitaker and Laurie Gatton.

Novice to Clubmen include Andrew Zaver, Peter Herlihen, Stephen Hetherman, Bruce Reville, Dave Feron, Paul Williamson and Terry Lewis .

NIGHT RUNS

The next Club night run is on 23 rd of April. The Director is Wilson Boyd. The cost for these events is \$7.50 - A rise of \$2.50 on last year but they are lucky to be being held at all due to the insurance cost rises. Bring your Navigator and a pen and a Maplight and have a run . It's a Wednesday night.

The cost of entering a Motorkhana has also risen to \$7.50 but it is still ultra cheap for a great days fun and entertainment. A dirt venue for motorkhana's is urgently needed. Smooth and about 100 metres square would be fine thank's.

MASON'S MOVE

That well known hair raiser, Paul Mason, has sold the venerable Holland Park Auto Electrics business and is now an international casino broker in his spare time. It gives him something to do, you know. He will also still do the electrics on your competition vehicle if you so desire. Even though it will be done in his back yard, with the youngers helping out probably, I'm sure your wiring will be up to Pauls usual high standard. His phone number for jobs is 341 1108 ABSOLUTELY ANYTIME.

SPRINT SERIES

The Sprint Rally series for 1986 is still without a sponsor or co-ordinator even though the events and dates are set. Paul Mason is between jobs at the moment and is unavailable to help out to the extent of previous years. He has suggested a Committee be formed to run this years series (not each event, just the series). If you are interested in being on this Committee or helping in any other way phone Paul on 341 1108.

NAVI'S NEEDED

Following the article in last months mag regarding Peter Garbett's Driver and Navigators register he informs me that he had a great response from Drivers looking for Navigators but not such a good response for the opposite situation. If you've just completed the Navigational School and haven't got a ride ring Peter on 808 1538 after hours leave your details and he'll see what he can do.

Lance Zivec is fastest on every lap so far but look at the ding-dong battle for second with three drivers on the same minute. Also an ultra close battle in Class 3 and Class 4.

Unfortunately Zivec was to retire after 4 laps to hand the lead over to Ed Van Amstel. Graham Cran from Sarina is going particularly well at this stage, in 9th Outright.

Van Amstel now leads by 13 secs from Stevens with Jim Adness third only seven secs back then Adams, Pat and Desley Collins and George Croucher with Nev Taylor in the silly seat.

Geoff Butlers time for lap 4 was 50 seconds better than any of his other laps and this wrapped up the Class 3 win.

John Roberts vehicle was the only one close to Van Amstel in Class 2 but problems on lap 3 put paid to a challenge.

There are many reasons why we race and rally Mazda

1. We like the sport
2. Mazda is a reliable product
3. It gives us experience in preparation of cars
4. Our work shop staff become better mechanics
5. We can do a better job for our customers
6. Because we did a 'better' job in 1983 our Service Division was awarded 'Dealer of the Year'
