THE NEWSLETTER OF THE BRISBANE SPORTING CAR CLUB

February 2006

Presidents' Piece

If you thought 2005 was a bit hectic, get a load of the planned activities for 2006!!

A number of dedicated club members have already started refurbishing the vacant upstairs office (if anyone is looking for some office space close to the city, this may suit your needs). The electricity box has been undergoing a major make-over and the store room and event equipment have been receiving "tidy-up". Many thanks to all those hard-working members involved.

Iain Stewart's Rally School (for competitors) was held last weekend with 33 keen starters, and from all reports continues to be a popular inclusion in the Club's training calendar.

This was followed (the same evening) with the Rally Advisory Panel Dinner held at the Broncos' League Club. Over 140 people enjoyed the evening's entertainment and activities, with some *serious* money raised for charity along the way.

On the immediate horizon is the BSCC Annual General Meeting, scheduled for the evening of Wednesday 15 March – everybody is welcome.

It's also my pleasure to advise that three new members

have joined the Board in the last few weeks. They include Greg Bryant, Tim Collingwood and Larry Littlewood. They join our other most recent inclusion (late 2005) of Rod Browning. I'm very excited to have the collective expertise and enthusiasm of these four to help the Club move forward over the next few years. Welcome aboard guys.

As for competitive events, the first round of the KCF Short Course Series Regs should now be available for those looking to satisfy their competitive urges. Neil Michel (and his *merry men*) are well underway with event planning, but should anyone be interested in offering assistance, I'm sure a job could be found for you. Please contact Sheridan at the office or visit the website (www.bicc.asn.au) for more details in either case.

On a final note, I've heard on the grapevine that Northern District Sporting Car Club has had a "rebirth" under the Presidency of David Gaines. This club was one of the major movers and shakers in Queensland rallying a number of years ago, and it's great to see them back in business. On behalf of the BSCC, I extend hearty congratulations to the new NDSCC Board and wish them every success in the future.

That all from me for now – see y'all in the forests.

Brian Everitt

President.

KCF Rallysport Short Course Rally Series Round One – Message from the Clerk of Course

A new edition of this great series is upon us. We have found some great roads as usual and the Events continue to provide a compact and fun way to compete and hone pace note skills.

Keith from KCF Rallysport once again is here to support us; which is something we should all keep in mind when we need work done on our toys. He has been a great supporter of this Event for many years. The Jimna Sporting Club will be providing succulent burgers for sale at their clubhouse and they have a very well stocked bar for the evening festivities. Camping is welcomed at the Service Park. These people put on a fantastic effort and all monies get put back into the community, a community that supports us playing in their backyard.

The Supplementary Regulations have been substantially rewritten, particularly in light of changes to the 2006 CAMS Manual. I encourage competitors to read them. The club has worked long and hard to have a set of regulations that are clear and unequivocal. On a serious note, the problem of speeding on reconnaissance and through the service park is a constant disappointment to me, therefore at this Event, there will be several people in the forest specifically monitoring these areas and any one caught will receive a penalty as per the CAMS Manual.

I hope you all have a great Event and don't forget, I'm always happy to hear your constructive feedback.

Neil Michel
Clerk of Course

BENARKIN 2006

On Thursday (Australia Day) the 26th and Friday 27th of January I was invited by the Clerk of Course for the Philcomm Rally Benarkin Patrick Hetherman to assist in checking some of the course for the forthcoming Philcomm Rally Benarkin which I accepted. Patrick and I met in Benarkin and set off in Matt Van Tuinen's GT Forester Reece car with me (Fred) driving to find some new roads in the forests around Benarkin and Blackbutt. To find new roads in the forest is quite an experience because not only are you unsure that the roads that appear on the map actually exist they (the roads) after the rain have so much grass on some of them that the grass comes up to the door handles in places. You have no idea what the surface is that you are travelling on which makes the whole process interesting to say the least. The difficulty in finding your way is much reduced however when a navigator of Patrick's ability is sitting beside you. (His thumb is exactly 4 kms on a map). It is uncanny how he can call a corner within 100 metres using this method to measure the distances.

Having said all of that we found some great roads which will be included in the event and those with grass on them will be slashed before the event. We also spend a considerable time in trying to eliminate the rough road reputation of the event by finding new roads which are more suitable. We believe that we have achieved a considerable reduction in the rough roads and therefore the event will be more enjoyable for all concerned. As an example the liaison last year from TC1 to TC2 (straight over a cliff) has now been removed and the whole stage now has a much better flow. This stage alone took up the best part of a day to sort out.

The reason we used the Forester for the Reece was to give a better indication of what the roads were like in a normal vehicle rather than a full on FWD vehicle. The time spent was well worth while and gave me as the sponsor of the event some insight and input into the event. I would like to thank Patrick for his time and effort and his company during the two days spent in the bush. The cold beer at the end of day one was much appreciated however the down hill decent on day two where I thought of throwing the Forester against the bank to stop it was most interesting and a story for perhaps another day. As always the Subaru Forester performance was faultless.

Fred van Tuinen

Club Captain's report

G'day all,

This is your Captain speaking...LOL...

Seriously I would like to introduce myself. My name is Ross Cox and I have gladly and unreservedly accepted the position of Club Captain for 2006. The Rally dinner will have come and gone when you read this so I hope in advance it is a good night. 2005 was a fun night and to all reports of advance attendance 2006 should be better. I have finished the Red Gem and by the first KCF will be back in the saddle attacking the roads provided by Neil Michel and his crew at Jimna. There have been some changes to Supplementary Regulations for the 2006 season, different classes and an invitation to owners of 'RRR' cars (road-registered and complying with Schedule 'R' of the NCR's) to compete. I am interested to see if there are any new drivers brushing cobwebs off cars in preparation for KCF Short Course rallies. By the by, thanks to Keith Fackrell for once again sponsoring the KCF Short Course rallies, the events are good fun and are an excellent opportunity to practice pace notes. I think there will be a couple of 'new faces' in the ranks this year.

I have enlisted the help of Tony Best for the first KCF and Phillip Bonser who rode with me at Rally 'Q' in 2005 has been seconded for the QRC rounds. We intend to compete in all rounds this year if we can keep the Gem straight and running. I feel the role of Club Captain is to be a conduit to the BSCC board with any questions, and answers you may have to questions, raised during the year. I will always lend an ear, and will treat all conversations with the strictest confidence if needed. I don't think I have changed in my attitude to the sport and the competitors from BSCC or other clubs since I became a Board member so please talk to me about your thoughts. I cannot help if I am not aware of the feelings of competitors. BSCC is moving into 2006 in a good position with some changes being implemented, all Clerks of Course are aware of the thoughts expressed during 2005 about events and are looking to offer improved events this season.

Lets all try to get to Rocky in July, I appreciate it is a long way to go and is expensive to run but they appreciate our support for the event. It rests in our hands as competitors to find as many of our friends and/or relatives for support crew for the event Clerks of Course as finding better roads and different roads usually means greater numbers of volunteers needed. Please also advise your friends/relatives of the need to register as officials before June 2006 as all volunteers will HAVE to be registered then to help out at events. The forms are available from the CAMS website. Good luck to all for 2006. Keep 'em sideways and on the road.

Ross

Philcomm Rally Benarkin is up and running

The first round of QRC 2006 the Philcomm Benarkin Rally is well and truly down the track of organization. The course is set using three new forests; 10 stages; no repeats. Much of the rough stuff has gone and the event will flow better. There are also excellent opportunities for spectators, who will be able to follow their car. So far there are 5 speccie points The Christmas recess has given the organisers a rare dry opportunity to complete the survey process. Tony Best, Jim Reddiex, Greg Bryant and Patrick Hetherman have done the kilometres and yes even the event sponsor Fred van Tuinen has found a stage. Yes Benarkin 2006 will be a whole lot different.

Central servicing will take place as usual at the Benarkin State School where they are already sprucing up the Bar-b-cue ready. Catering will again be available over the weekend, commencing with breakfast on Saturday right up and including breakfast on Sunday. Naturally there will be camping available at the school overnight Friday and Saturday. A great weekend will be had by all. This will be one Rally not to miss. As the Benarkin Rally has more stages, we need a larger contingent of Officials. We need some more stage commanders and Control Officials. More monitor point officials, some of which will have the company of spectators. We will be holding a working "Bee" weekend in the forest before the event so watch this space for details. Please support this resurgence of the great days at Benarkin. Contact Sheridan at the office 3846 0233 or Patrick 3289 3462 and join the team.

POSITIONS VACANT

The Club's forthcoming Annual General Meeting is being held next month (see separate notice) and that means its time to elect the Board that runs your Club! The following positions will be declared vacant at the AGM, with the re-election of offices then undertaken. Positions vacated and open for nominations include the following:

President
Vice-President
Club Secretary
Treasurer
Assistant Treasurer
Club Captain
10 x General Board members.

Duties of the Board members include (but not limited to):

- Attend the monthly Board meetings held the first Tuesday of each month. Meetings are held at the Clubs' rooms situated at Unit 1/206 Montague Road, West End commencing at 7.30 pm.

- Board members discuss and manage the direction and conduct of the club, its events and activities, and maintain the Club's Constitution to the best interest of its members.
- Board members are encouraged to communicate with all other members and provide feedback to, and from, the Board.
- Attend Club evenings and promote goodwill throughout the club
- Keep members informed via advocacy, the Club magazine and website
- Maintain an active involvement in all aspects of the Club's activities

NOTICE OF ANNUAL GENERAL MEETING

The Annual General Meeting of the Brisbane Sporting Car Club Limited, will be held in the Clubrooms, Unit 1/206 Montague Road, West End on WEDNESDAY 29 March 2006 commencing at 8.00 p.m.

The business to be conducted at the Annual General Meeting shall be:

1. To receive the Financial Statements and the Reports of the Directors and the Auditors for the year ended 31 December 2005.
2. To elect members of the Board, and any Life Members recommended by the retiring Board.
3. To receive, consider, and if thought fit, adopt any other Resolutions of which notice has been duly given.
4. To consider any general business.

In accordance with the Constitution, the President, Vice-President, Secretary, Treasurer, Assistant Treasurer, Club Captain and other members of the Board shall be elected at the Annual General Meeting and shall hold office for one year, when they shall retire, but be eligible for re-election.

Each candidate for the Board must be nominated in writing by two financial members of the Club and with the written consent of the nominee. Such nominations must be lodged with the Secretary at **least fourteen (14) days** before the Annual General Meeting, (i.e. Wednesday 15 March 2006) at the latest.

If insufficient nominations are received for the positions to be filled, nominations may be called at the meeting. However, nominations received by 15 March 2006 take precedence. Nomination forms are available from the Clubrooms or on request from the Administration Officer on 07 3846 0233. It is most important that we have an enthusiastic and active Board to act on behalf of the Club.

If you are unable to attend the meeting you may appoint a proxy to vote in your place. A person appointed as a proxy must be a member of the Club. To be valid, Proxy forms must be lodged with the Secretary at least twenty-four (24) hours before the time for holding the meeting. Proxy forms are available, on request, from the Administration Officer (07 3846 0233) – please use one if you cannot attend in person.

By order of the Board

PROGRESS REPORT - COATES RALLY QUEENSLAND

Fellow Rally Qld Officials,

Greetings and best wishes for 2006.

After many months of meetings, and about six different versions of possible itineraries, an intrepid crew of RQ Officials ventured up into the Imbil Forest in January to put the months of planning to the test! Over a couple of nights of pleasant socialising (read drinking!) we came up with a course which is quite different to previous years, but complying to changes made to this year's series, allowing for a maximum of 100km of special stages each day. In other words - we picked the 'best' roads.

Heat 1 will start from Imbil - the same as last year, with the focus on Imbil Showgrounds as the central Service Park. Heat 1 will conclude with a 2 hour service at Imbil, thus saving service crews the inconvenience of packing up and returning to the overnight stop. Heat 2 will commence from the 'Sunny Coast', and utilise the same stages from Heat 1.

Some of the major proposed differences this year will include changing the Spectator Park around to provide better viewing for the paying public, and to make it more challenges and appealing for competitors.

As well as being rounds of the Australian and Queensland Rally Championships, we're planning to have a Clubman-type event, and an event for complying rally cars (which may not be eligible for other awards). It will be an event in which hopefully everyone who has a rally car of some sort will be able to enter and enjoy. So put the weekend of 17 & 18 June 2006 aside for what should be the biggest and most exciting event in Qld's rallying history.

The following photos show some of the team working very hard, and being capably supervised by Craig (naturally), at the Imbil Island Reach camping ground.

Stay tuned for a further update next month - until then happy rallying.

Errol "Baghwan" Bailey
