

BRISBANE SPORTING CAR CLUB

A New Era for the Brisbane Sporting Car Club

From the 17th January 2011, the Brisbane Sporting Car Club will be moving into new premises at Banyo.

COMING EVENTS

Galangowan 2010 (in 2011)

26 February 2011

Come & Try Rally 25 February 2011

**First Touring Road
Event for 2011**

**Sunday 13th February
2011**

Exciting New Changes to Membership Structure

The Board has restructured the Club's membership categories to better reflect the needs of the members and to provide greater flexibility and value.

Effective immediately the following structure and fee schedule has been put in place:

Category	Fee	Term	Benefits / Comments
Ordinary	\$55	12 months	From end of month of joining
Associate	\$25	12 months	From end of month of joining
Junior	\$5	12 months	From end of month of joining
Family	\$90	12 months	From end of month of joining
Country	No longer available		

In addition, the Board has also instigated the following new categories to help the Club raise much needed funds and to adequately recognise those members who take advantage of this new initiative. Each category has been structured to provide members with benefits at least equal to their investment.

If you are interested in taking advantage of these new membership levels or wish to

Category	Fees	Term	Benefits / Comments
Bronze	\$500	3 years	5% discount on all event entries Event dollars \$200*
Silver	\$1,500	5 years	7.5% discount on all event entries Event dollars \$1,000*
Gold	\$3,500	10 years	10% discount on all event entries Event dollars \$2,000* Family membership, as per Family category Board of Honour
Note	Event dollars will be issued by vouchers in denominations of \$50 and on any one event a maximum of \$100 of vouchers can go towards the entry fees for the event. Event dollars are transferrable to other members		

discuss further please contact Neil Michel (0407 640 963 or neil@enmark.com.au).

The new membership structure is now open with benefits available immediately

HEROES OF THE BSCC

As we all know the Club at Montague road had to be sold to clear debts. However we have enough to purchase a new club rooms, JUST.

With settlement dates of contracts and the need for cash to cover the weeks in between members of the board appealed to members present at the last Club meeting in Montague Road. We needed short term cash loans to cover the deposit on new club rooms until we picked up the monies on our new club rooms.

ELEVEN HEROES CAME FORWARD AND SIGNED UP. It gave us enough to cover the deposit. So we were able to secure the new club rooms.

Amongst our numbers we have some real club members who support us when times are tough. The board is ever thankful. The board has had a difficult year navigating through our troubles. This coming year will still be difficult and the club will need all the support it can get, but the club will be on the up again.

Established 1953

Christmas Party

The BSCC Christmas party held Saturday 11th December 2010 at the home of Fred and Judy van Tuinen and a great night was had by all 60+ club members, friends and family.

The heavy rain earlier in the day wasn't a problem with the enormous outdoor cover area complete with big screen rally videos and much social catching up.

The kids made good use of the pool in the rain and there was even a visit from Santa who arrived on Fred's John Deere tractor with Santa helper Jen Lenton and presents for the kids. Peter 'Santa' Clydesdale did a wonderful job and the kids were thrilled with gifts and lollies.

Big Thanks to Fred and Judy, Peter Clydesdale, Del Garbett and all the helpers for the catering.

Nicole's Famous Cob loaf Dip

This was a massive hit (some will say almost as big as John Spencers at Jimna!) at the BSCC Christmas party and after many requests for the recipe we have decided to publish it in the magazine. The filling mix can prepared ahead of time and stored in the fridge or esky. Ideal to take to rallies, just heat over fire instead of in the oven.

Ingredients:

- 1 Large cob loaf
- 500mls sour cream
- 200g shredded cheese
- 150g diced bacon
- 1 diced onion
- 2 diced shallots

Method:

- Cook onion and bacon in a frypan until golden
- In a bowl mix sour cream, cheese and shallots. Add cooked bacon and onion and mix until well combined.
- Cut the top off cob loaf and set lid aside. Hollow out the loaf, tearing the contents into serving size pieces and set aside
- Place sour cream mix in hollow cob loaf and replace the lid
- Place cob loaf and left over bread pieces on a baking tray. Spray with a little cooking oil.
- Cook in preheated oven at 170° for 25 minutes or until bread is golden
- Once cooked break apart the lid to be used as dippers and serve

ACCOMMODATION AT COFFS HARBOUR FOR THE WRC

On the way home from the Rally in Victoria we stopped at Coffs Harbour to look for accommodation in September 2011 when the WRC will be held there. As most Club Members are probably aware, this event will also include a Round of the ARC so there will be many ARC Competitors and Officials requiring accommodation as well as all the WRC Spectators, Officials and others.

We called into four Real Estate Agents in the Coffs Harbour Main Street. None of them were particularly helpful and advised that they did not look after short term rentals such as we were looking for.

However we were advised that a couple of Agents at Park Beach handled this type of accommodation.

We went to Coffs Harbour Property Services at 101 Park Beach Road and they were very helpful. They told us that they had already received a number of Bookings for the WRC week.

They showed us some of the houses and units that they had available. We then went to the other Agent at Park Beach and they were extremely vague and lacking in help. The girl there told us that September 2011 was a long way away and to look at their website for accommodation. We then went back to Coffs Harbour Property Services and booked a very nice four bedroom house.

There is nothing available really close to the Service Park but Park Beach is about 10 minutes drive and the Shopping Centre and Pacific Highway can be avoided. We would therefore recommend this Agent to anybody going to Coffs Harbour for the WRC. Their Phone Numbers are 02 66521466 or 1800 658569 and their website is

Co-Pilot Rally Watch

The Co-Pilot Rally Watch is specifically designed for rally co-drivers and is used by the world's leading co-drivers including Daniel Elena and Phil Mills. This unique watch, which shows both time of day and a stopwatch simultaneously, has been designed by co-drivers with a host of functions dedicated to rally use, while remaining very easy to use. The watch can store up to 30 stage times, has a large, clear display, and can be set to a choice of pre-start functions which allow the co-driver to start the stopwatch at any time during the preceding minute of their stage start time.

Rally Gear

QFM Performance Brake Pads

High performance brake pads that don't cost the EARTH!!!

High performance brake pads to suit any application!!!

QFM's AIRM compound high performance pad is ideal for rally and race cars that need brakes right from the start! Rated to 780 degrees, but with bite from dead cold, the AIRM is the no compromise high performance pad for rally, race and hill climb cars that need to be street driven!

AIRM Specifications

Cold Friction -> 0.40

Hot Friction -> 0.48

Temperature Range -> 0-780

The AIRM is available for any application with most priced from 19. With low rotor wear, excellent cold bite and high end performance, the AIRM is quickly becoming the pad of choice for club level motorsport!

HIRSTGLEN SHORT COURSE - 14 November 2010

..... Rod Sams

Michael & Linda Topfer

The final round of the 2010 Queensland Off Road Series was held at Hirstglen on Sunday 14th of November. The short course event attracted twenty two drivers eleven of who were entered in the four wheel drive classes. Previous events at Hirstglen have proved to be a happy hunting ground for the four wheel drive brigade.

The event, run by the Downs Motorsport Club, was conducted over three heats each of three laps of the 6.5 kilometre course. Following recent rain the conditions were ideal for racing.

At the end of the first heat Joe Bulmer/Wayne Bell (Car 36) had set the fastest time two seconds in front of the Pajero (Car 802) of Robert Chapman/Michael Taylor. They were followed by the Mitsubishi Triton (Car 701) of Clayton Chapman/ Adam McGuire. All crews completed the heat.

The Chapmans headed up the results for heat two with Clayton leading from Robert with Jared Melville (Car 203) third. Bulmer failed to finish after an off track excursion while Dale Heidke/Andrew Finlay (Car 770) put the Pajero on its lid. Both cars suffered minor damage and were back for the next heat.

Jan & Hendrick Kraaij

Some crews must have left their best to last with some fast time being set in the final heat. The heat was won by Jan and Hendrik Kraaij (Car 110) setting the fastest heat time of the day giving them first O/R and the Prolite Class win.

Bulmer finish second to be second O/R and first in Pro Class. Russell and Judy Hartnett (Car 245) had a fast run to be next to finish third O/R and the first Super 1650 crew.

Clayton Chapman

Robert Chapman took the class win and fourth O/R while Todd Lawrence (Car 146) was fifth O/R and second Prolite buggy. Clayton Chapman won his class and was sixth O/R.

Once all the results were tallied the winning driver of the Series was Clayton Chapman from dad Robert. Jan Kraaij had a good year to be third. The winning navigators are Leah Hoppe, Hendrick Kraaij and Ross Challacombe.

The Brisbane sporting car club is proud to announce the much anticipated return of our famous rally co-driving school. This informative and always entertaining two night course is hosted by the best in the business: Ben Atkinson, Glen Weston and Chris Murphy.

Night One will cover rules, regulations, tricks and tips, with the pros showing you how to properly prepare for a rally. Night Two's topic is how to write professional, consistent, accurate pace notes.

This course is a must for every crew, from the absolute novice considering entering the sport to the most experienced teams trying to find that winning edge. Places are strictly limited and **BOOKINGS ARE HIGHLY RECOMMENDED!**

- Food and drink available - Normal clubnight rules apply -

Barry NEUENDORFF -Queensland Motor Sport Official of the Year -2010

Barry's involvement in motor sport spans many years. He has been an active member on the Board of the Brisbane Sporting Car Club, and has dedicated many hours helping to preparing for events at which he acts in a voluntary capacity doing whatever is asked or required of him.

As a Past Chair of the Queensland State Rally Advisory Panel, and a long time member of that body, Barry has contributed to the rallying side of motor sport in Queensland in innumerable ways. This has been as diverse as being a mentor for newcomers, an advisor to younger, hot-headed competitors, or as a CAMS Steward at events ranging from single Club events to being Chief Steward at State Level events as diverse as Motorkhanas to circuit racing.

Whether driving a Course Car along a rally road, sitting on a Steward's Inquiry Panel, or offering advice to organisers of State Rally Championship events for more than twenty-five years, Barry has always let his enjoyment of the sport and his willingness to learn and impart knowledge hallmark his involvement. In the words of one of his fellow CAMS Stewards – "He doesn't undertake any role lightly, he doesn't do it for himself, he certainly doesn't do it for his business (quite the opposite), he doesn't do it for his beloved BSCC he does it for the betterment of motor sport.

Barry Neuendorf is a deserving winner of the 2010 Queensland Motor Sport Official of the Year Award.

Congratulations Barry from all at BSCC.

22 November 2010

Dear Mr. Neuendorff,

It is with great pleasure that, on behalf of the CAMS Board, I congratulate you on being awarded the Queensland Motor Sport Official of the Year award for 2010.

Our volunteer motor sport officials are the cornerstone to the conduct of our sport and provide invaluable support to ensure the safe and fair conduct of motor sport across all levels of competition and through your leadership, commitment and drive as a CAMS accredited official, you have made an enormous and outstanding contribution to motor sport in your state.

The State Motor Sport Official of the Year award recognises outstanding achievement of a motor sport official and this award is testament to your demonstrated dedication, skill, attitude, peer recognition, knowledge and positive influence.

Once again, congratulations and I look forward to your continued contribution as a CAMS accredited motor sport official and I wish you all the best for your future motor sport endeavors.

Yours sincerely

A handwritten signature in black ink that reads 'Andrew Papadopoulos'.

Andrew Papadopoulos
President

Off Road – Biennial Vehicle Inspection (every 2nd year)

The CAMS Australian Off Road Commission (AORCom) has implemented the requirement for a Biennial Vehicle Inspection (the inspection is required every 2nd year) for each competing vehicle in an effort to improve safety. Due to the limited facilities and time available at off road event scrutineering (particularly to remove panels), it is difficult to check various aspects of vehicle construction and compliance. The Biennial vehicle inspection has been deemed to be the most appropriate and practicable means of addressing this area of risk.

Your cooperation in improving the safety standards of off road vehicles is most appreciated.

1) Due to possible issues with the vehicle frame/chassis, such as corrosion and fatigue in areas that cannot be seen at event scrutineering, each off road vehicle shall be subject of a biennial inspection of the main structure of the vehicle and other related items.

2) Implementation

From January 1st 2011 each vehicle with a log book first issued prior to January 1st, 2000 shall be required to undergo a Biennial Vehicle Inspection prior to being used in competition. For vehicles subject of a log book issued after January 1st, 2000, the requirement for inspection shall commence from January 1st 2012, which must be carried out prior to the vehicle's first use in competition from that point.

The Biennial inspection shall be valid for two years from the date it was carried out.

3) It is anticipated that the inspections will be carried out regionally in groups. Individual inspection would need to be organised by the competitor at a time suitable to the regional Scrutineer and competitors may be charged a fee for this inspection.

Each State Off Road Advisory Panel will coordinate inspection times and dates to suit the majority of competitors in each region before the first calendared event in 2011.

4) It is the vehicle owner's responsibility to ensure the inspection is carried out. No vehicle may compete unless inspected and this inspection is noted in the vehicle log book.

Procedure

1) The inspection must take place in daylight at a venue equipped with a hoist or pit to allow inspection under the vehicle. The responsible senior Scrutineer must hold a silver qualification or shall be prior approved by the relevant state panel.

2) The vehicle must be presented in a clean condition with all possible panels removed. Buggies must be presented with panels and floors removed.

3) The inspection date and result is to be noted in the vehicle log book. Any vehicle not inspected within the previous two years (noting the relevant implementation dates) will not be allowed to compete.

This special inspection has to be noted in the logbook before you will be able to compete.

SEQORRA has organised a date in January for a silver scrutineer to be available to complete this inspection.

Date is **Saturday January 8 2011.**

Venue is **On Track 4wd Centre 66 Moss Street Slacks Creek**

Time is **after 1pm. (Parking is a problem prior to 1pm).**

You need to **let SEQORRA know that you intend to come** so they know who to expect (and how many vehicles)

Please note that buggies have to have panels removed and the floor removed!

Please reply to Andy Hickson at andyhi696@bigpond.com if you intend to attend this inspection.

BRANTZ RALLY ODOMETERS

IDEAL FOR ALL RALLY APPLICATIONS.

LASER 3.

THE ULTIMATE RALLY ODOMETER.

Fantastic Season for Full-On Rallysport

The 9th place finish at the recent Rally Victoria has capped off Full-On Rallysport's most successful season in the ARC. The team of Bruce Fullerton and Hugh Reardon-Smith entered the Evo 6 in 5 rounds of the 2010 ARC : Tasmania, Coffs Harbour NSW, Rally SA, Rally QLD and Rally Victoria.

"This season we have finished every km of every stage of the five rounds of the ARC that we entered in 2010" said Bruce Fullerton, "and on every event we have finished inside the top 10, this is a great result for us."

"We have been well supported by our service crew of Rob Reddix and Richard Harris" said Bruce "with the result that the Fullerton Financial Services Mitsubishi Evo 6 has completed every event."

The team has improved through the year finding more pace and closing the gap to their main competitors in the Premier League section, as well as closing the gap to the top runners in the ARC. This has been shown with a steady improvement in the seeding through the year. "With our maintenance program, we have made the Evo 6 fully reliable this year" said Bruce "and despite our improved pace we have had no major problems, no unexpected work for our service crew, and no panel damage to the car, it's been a great year"

This has resulted in Bruce and Hugh finishing 10th outright in the Australian Championship, and 2nd outright in both the Premier League and Privateers Championship.

The Fullerton Financial Services sponsored team will almost certainly compete in 2011, but in what rallies and what car are yet to be finalised.
