COMING EVENTS IN DETAIL

Wednesday, 26th June:- The Club will hold another of its popular Night Runs. This one has been planned by John Connell who promises a run with a difference.

Sunday, 30th June:- The G.M.S.C. will hold a Club race meeting at Lakeside. More of our members are taking an interest in this type of event so if you would like to try your hand on the track, study the supplementary regulations which are now available and rush you entries to the G.M.S.C.

Wednesday, 3rd July:- George B. Iner is organised a Night Run. George has organised a couple of these events in the past and competes regularly so this is sure to be an interesting one, too.

Sunday, 7th July:- Something a little different from the race meeting this time. A Mudscramble at College's Crossing, organised by the Ipswich, West Moreton Club. To make sure the course is up to scratch, the Ipswich boys plough it up and pump water over it for 24 hours.

COMING EVENTS (continued)

Wednesday, 10th July:- The presentation of trophies for the Amoco Rally will be held at the Clubrooms on this night commencing at 8.00 p.m. Don't forget to come along to collect your prizes. If available, a film of the event will also be shown together with other motor sporting films. Bring the family along and show the sponsors the interest in motor sport.

Sunday, 14th July:- Lakeside will be the venue for another Sprint Meeting. Dig out those "widies" and that spare V8 motor, fit 'em to the family hack, and see what time s you can record.

Wednesday, 17th July:- A committee meeting will be held at Stones Corner Motors, commencing at 8.00 p.m.

Wednesday, 24th July:- Night runs are the most popular form of Club event and Alan Budsworth will seek to ensure they stay that way with his run on this night.

Sunday, 28th July:- By popular request, a Club Gymkhana will be conducted on this day - in conjunction with a short planned run to our gymkhana grounds at Logan Village.

Jack Read will be responsible for organising the gymkhana. Being a regular competitor and Queensland Gymkhana Champion in 1967, Jack should have plenty of ideas on the type of events competitors like. Gymkhana events will start at 11.30 a.m.

Whether you're a gymkhana competitor or not, you should enjoy the run to the gymkhana grounds being organised by John Connell. This starts at the Clubrooms at 9.00 a.m. and has been designed to get you to the Gymkhana grounds by an easy and unusual route. The run won't be difficult and roads used won't upset the family riding in the vehicle.

Be in it on this Club Day. Be at the Clubrooms by 9.00 a.m. for the run to the Gymkhana grounds. Food and Refreshments will be available at the grounds.

Wednesday, 31st July:- A Night run. Les Moore and Jeff Carr will be at the helm on this evening so all competitors can be assured of a good night's run.

COMING EVENTS (continued)

Saturday, 17th August:- This is looking a little to the future, but on this very important day the Castrol Drive (for drivers under 25 years of age) will be held once more.. Our Club has again been requested to organise this event and Ray Luckhurst will be the director. Ray will need many control officials for the road sections and other helpers during the driving tests so if you have a spare day, let him know now.

PRESIDENT'S MESSAGE:

Dear Members,

Thanks to your response to my request for more night run organisers, we have been able to schedule four night runs between 26th June and 31st July. A couple more members have indicated their intention to organise runs this year.

Two coming events worth keeping in mind are the Sunday run-gymkhana on 28th July and the Castrol Drive on 17th August. The former is designed as a social day for families followed by a gymkhana for competitive types. The Castrol Safety Drive is again being organised by our Club. The assistance of non-competitors in this event as officials for the road event and driving tests would be appreciated, so if you are available on this day please let me know.

RAY LUCKHURST (PRES.)

ITEMS OF INTEREST:

* Congratulations are due to regular night-runners Tony Reason and Jennifer Anderson, who recently announced their engagement.

.....

* Barry Harrison has replaced his IH wagon with a 186S, floor shift, discs and limited slip diff. Barry will be more competitive than ever in this machine.

.....

ITEMS OF INTEREST

* President, Ray Luckhurst and wife Leonie are proud parents of a son, Bruce Norman. Congratulations to you both.

.....

* Two B.S.C.C. crews who journeyed south for the recent Rothmans' Snowy Rally were Hank Kabal / Brian Gemmell and Ray Luckhurst / Les Barron.

These crews took second and third placings in their class, being beaten only by well known volt pedaller Colin Bond, who performed so well in our last Warana Rally.

Congratulations to these crews on their excellent performances.

P A S T E V E N T S

In the period between the last newsletter early in June and the closing date for copy in this newsletter, only one night run was conducted. This was organised by Graeme Offord and Dennis Roberts.

The run took crews through the western suburbs, over varying road surfaces. This was an enjoyable run with few crews experincing any difficulties. Results were:-

1. Laurie and Hilary Garth
2. Brian Gemmell and Wendy Heath
3. Ray Luckhurst and Les Barron

As this month's Newsletter was published a little earlier than usual due to the need to use the printing equipment for the final supplementary regulations and results of the Amoco Rally, no results of that Rally were available for publication. We'll have a full report of that event in the next issue.

SILVER CIRCLE NUMBERS

The final draw of the series took place on 5th June. The numbers drawn on that night were 147, 80, 75.

This competition proved to be very successful and members are thanked for their help. Competitions like this help the Club financially and thus keep membership fees down.

ENGLAND-AUSTRALIA RALLY

A thorough check through the list of Australian Entrants accepted for the England - Australia Car Rally set down for November failed to show the name of any of our regular Queensland rally competitors.

The list, however, looks like a who's-who of car manufacturers and works drivers, some of whc we're sure to see in action here in the Warana Rally on the 21st, 22nd September trying to improve their position in the Australian Championship.

By the way, sponsorship for the Warana is bigger than ever this year, more prizemoney and trophies to be shared by crews. Organisers Hank Kabel and Greg Sked have details well in hand already. Keep this one in mind - touring class competitors will be specially entered for with a fairly easy run.

DON'T FORGET THE CASTROL DRIVE on 17th AUGUST. OFFICIALS
WILL BE REQUIRED.
