EDITORIAL

The Committee of the Brisbane Sporting Car Club wish to apologise for the unavoidable delay of the November Newsletter.

Allan Stott about 9 months ago offered to handle the Printing of the Newsletter etc, but over the last couple of months it has been difficult for him to Publish the Newsletter. However Allan and his small band of helpers have done a good job and I feel that they deserve full credit for a difficult job well done.

The Secretary having only been married a few weeks and with moving into a new home, has not been able to find time from his Secretarial duties to print the Newsletter until now.

A new Sub.Committee has been formed to handle the Newsletter over the next 12 months and the names of the Members on this Sub.Committee appear on the front page of this Newsletter.

This Sub.Committee have a most difficult job and they request that if any Member can write any items suitable for the Newsletter, or can help in any way possible to contact one of the members of the Sub.Committee.

* INTER - CLUB GYMKHANA SUNDAY 29th NOVEMBER

The Inter - Club Gymkhana is being Organised by the Redcliffe Auto Club as they were the Winners of this competition last year. Our Club Captain, Stew Hornibrook, has been entrusted to pick a team to represent the B.S.C.C.

The Event will be held on grounds adjoining Ashmole Rd., Redcliffe, easily reached by turning into Anzac Avenue from Marine Parade and following Anzac Avenue until you reach Ashmole Road where you will turn right and follow until you reach the location on your left.

Two Trophies have been donated by Castrol Oil Company and one Trophy will be retained by the Club of the top Driver on the day. This Trophy is to be held by that Club until the following year when it will be competed for again. The other Trophy will be retained by the Driver.

This promises to be a good day for competitors and spectators alike and we hope to see many familiar faces at Redcliffe where the events are timed to start at 10.15 a.m.

Eats and Drinks will be available at the Grounds.

THE TEAM SHALL BE :

A.Jarsen, M.Linklater, H.Kabel, L.Barron, R.Olive, G.Knudsen.

RESERVE : E.Mitchell.

* GRAYSTAR MOTORS CAR TRIAL BRIEFING ... SUNDAY ... 2nd DECEMBER

The Organisers of this event, Ray Chayter and Mike Chapman, may be prevailed upon before the actual draw for starting positions, to explain some of the finer points of Trials for the benefit of the Novices and the newer competitors. They both have had vast experience in the Trials fields and are well suited to the role.

Supplementary Regulations for this event are available from the Secretary, so if you intend competing in the last Trial of the year hurry your entries in as the deadline will be this night at 8 p.m.

The usual interest in the draw for starting positions should ensure a good night, and remember that if you are an entrant it would be to your advantage to attend the briefing and hear whatever tips the Organisers may offer for the event.

SEAT BELTS SAVE LIVES !

Don't just fit them, wear them all the time.

Before you start the car - buckle up !

SUNDAY 6th DECEMBER

This Trial will be the last major event in the Trials field for this year and with the way the C.A.M.S. Driver & Navigator Points award stand at the moment it could be a battle between quite a few to enable them to receive this award.

The main Sponsor of the Trial is Graystar Motors 29I Honour Avenue, Graceville, with various other Co.Sponsors as shown in the list of Prizes.

Organisers of this event will be Ray Chayter and Mike Chapman who have both Organised Trials over the past 10 years or so, and we feel sure that this Trial will be equal to the standard that Ray & Mike have set up over the period of time that they have been Organising Trials.

The first car is due to leave Graystar Motors, 29I Honour Avenue, Graceville at 8.15 A.M. with a Lunch time stop at Toogoolawah where refuelling arrangements have been made. Duration of the Trial will be approx 8 hours over a course of approx 185 miles.

Competitors are reminded to be at the start control at least 30 minutes before their due time of departure. It is hoped Competitors will show their appreciation of the efforts of our Sponsors of the event by entering - the prizes are there and all that remains is to see that the hard work put in by the Organisers has been worthwhile.

A pair of school Compasses and a school rule may be required. Ruler to have a $\frac{1}{8}$ Scale marked on it.

The finish will be at Doug Bright's residence in Graham Road, Aspley. Proceeding out of town along the Bruce Highway you take the first turn left after crossing Cabbage Tree Creek and his residence is halfway up the hill on the left. Number 74.

NIGHT RUN WEDNESDAY 9th DECEMBER

Our President of the past three years, Lloyd Hosking, has volunteered to Organise the last night run of the year. No details are to hand but the run will probably be on the Southside of town and ordinary night run equipment will be required.

From past experience this should prove to be a good but fairly easy run in which all members can compete with confidence of at least getting around. First car is due out at 8 P.M.

.....
CHRISTMAS TREE SUNDAY 13th DECEMBER

Arrangments have been made for our Santa to operate both at our Childrens Party and at the Party being conducted by our good friends, the Easts Rugby Union Football Club. We have heard that he has the build to suit the suit.

As Lone Pine has new owners now both Club's have been negotiating with the new owners and they have consented to let both Club's use the ground. The Party will not now be hold in Hanlon Park as has been announced at the Clubrooms.

The Party will commence at 1 P.M. and we can only hope for good weather and assistance from members in making the day an enjoyable day for the kiddies.

Our Ladies have put a great deal of effort into organising this Party and would like to hear as soon as possible from members who have not as yet nominated their children.

.....

FILM EVENING WEDNESDAY 16th DECEMBER

Film of past Trials and Films kindly donated to us for the evening from K.L.G. will be shown on this night.

Evenings of this nature have proved an outstanding success throughout the year and this night should be of no exception.

K.L.G. have always been in the front with Motor Sport and I feel sure that you will see some wonderful Films on this night. It is intended to start showing the Films at 8 P.M.

.....

CHRISTMAS PARTY FRIDAY 18th DECEMBER

The Venue - Norman Park R.S.S.S.I.L.A. Hall.

The Time - 8 P.M.

ATTENDANCE : All financial members are cordially invited.

It is anticipated that the Secretary will forward invitations to Honorary Members, Sponsors and all these people who have done much to promote the Clubs activities during the past year. If any member wishes to invite friends the member must contact the Secretary and he will send an invitation to the members friends. This does not mean that you have to ask the Secretary if you can bring your wife etc. it is for friends of members only that you have to contact the Secretary.

Past breaking up parties have been a success and this should prove no exception.

It would be appreciated if members would bring along a plate or some some eatables to help defray the cost of the night.

Remember that this is your night so come along and have a wonderful night.

See you there.

CHRISTMAS TREE - LONE PINE - 13th DECEMBER

Dear Member,

It is with great pleasure that I have accepted the position of President of our Club, and I will try to do my utmost to be worthy of this position.

My sincere thanks go to our past President Mr. Lloyd Hosking and his wife for the tremendous work that they have done over the past 3 years for this Club. I trust that members will give me their help, like they have done in the past to keep this Club the best Trial and Auto Club in Queensland. The Committee, have a big job in front of them, but with your co-operation we will try to make it a wonderful year of Motor Sport.

As in the past we would like to see quite a lot of members attend the Childrens Christmas Party. Let's make this day a memorial day for them.

Our Christmas Party promises to be a good one so we wish to be able to welcome as many members as possible on this night.

Don't forget the location of these two events. The Childrens Christmas Tree at Lone Pine and the Christmas Party at the R.S.S.A.I.L.A. Hall, Norman Park.

With Christmas in front of us and the year ending my thanks go to every member and any person or Firm connected with the Car Club for making this year such a success and my wife and I wish you all a Merry Christmas and a happy and sporting new year.

Yours faithfully,
H.Kabel, President.
