Night Run.

Wednes 9th Nov

On this evening Jack Barrow will be organising the night run which will be the second last night run this year, so if you haven't been in any runs lately this will be a good opportunity to compete. Jack informs me that the run will be slightly different from the usual night runs. The first car will leave the the club rooms at 8 P.M. There is no need to bring any calculators, just the usual night run equipment.

Presentation Prizes Jacaranda Rally

Wed. 16th. Nov.

On this evening the prize winners of the Grafton Jacaranda Touring rally will be presented with their Trophies, at <sup>D</sup>hell House. It is a long time since we were at <sup>D</sup>hell House and this will be a good evening with films and Refreshments after the Presentation of prizes. You are cordially invited to bring along a freind on this evening. The Films start at 8. P.M. Hoping to see you all on the night.

Night Run

Wednes. 23rd. Nov.

The event on this evening will be organised by Milton Armstrong, and knowing miltons form it should prive to be a very interesting run to wind up the clubs night runs for the year. The event will start at 8. P.M. so don't be late.

PARTY NIGHT

14th. Dec. Wed.

This evening will mark the closing down of the club for the Xmass period . We expect to have a big crowd along on the night to join in the festivities ,so get along early . It would be appreciated if the ladies could bring a plate.

Mr. Wimple was suing for divorce. "And then, Judge," he protested, "my wife hit me on the head with a leaf." "Well, that couldn't have hurt you, surley," the Judge commented. "Oh, couldn't it? " answered Wimple. " It was the leaf from the centre of the dining room table."

PAST EVENTS

WEDnes. 19th.

Barbeque Night run.

On This evening was one with a Barbeque before the run not after. It could have been the wet weather that kept club members away ,but those that did go had an enjoyable time . Terry Jack with the assistance of Tony Anthony soon got a nice fire going to cook the steaks. The run was very short with a duration of 52 minutes, it took in some of the roads around Moggil. The event was won by S. Hornibrook.

Jacaranda Rally To Grafton

Sat/Sun 5th6th. Nov

Seventeen competitors left the Qsld Transport Terminal Rocklea at approx 7.15 to start in the Rally to Grafton. .It was a very nice trip passing through Beaudesert , R<sub>h</sub>thoney, a nice climb over Mt. Lindsay to turn left about three miles from the border gates and head off towards Kyogle . A ten minute break was allowed here for refueling, both car and competitor. The next stretch was a short run through to C<sub>n</sub>sino where we had lunch. One competitor Evan Thomas was repoted for speeding by a person on a push Bike ?. S. Hornibrook & Graham Burrow sampled J.S.W. Beer and found it quite unsuitable .On leaving C<sub>n</sub>sino competitors had a long drive to Grafton through some very senic country, especially along the Richmond R<sub>iv</sub>er. One competitor stopped at a likely looking building to Quench his thirst only to discover that it was the pub with no beer. On entering Grafton which was ablaze with Jacaranda Trees in avenues along both sides of the street. Entrants checked into the

finnish control where they were heartly welcomed by Geof Cunningham who had assisted the organisers at the graftonend. That night some competitors went in the procession and quite enjoyed it even if it was very slow. Some went on the train trip from South Grafton to North Grafton on the Viaduct which was well worth while going on . Three competitors went to catch the train at the wrong end of Grafton and therefore missed the trip. (Stew Ray & Gordon ). After the procession and train trip competitors were invoted to the Grafton Bowling club by Club member Geof Cunningham, where they had an enjoyable time. This was the first time some crews had seen poker machines and

some of them spent a considerable amount of money.

The next morning competitors not looking so bright lined up for the run home . The first stop was at lismore where crews refuled and then set of for extremley easy drive through some of the best dairy country in Australia. Some crews had to waste twenty to thiry minutes on the top of the range before decending to Byron Bay for lunch. From the top of the range a magnificient panorama of the coast line was visible, camera' were well to the fore at this point.

From Byron Bay competitors had a nice run to Boyd's Bay Bridge where they again had considerable time up there sleeve. Another drive up the coast to Currumbin to a control near the R<sub>n</sub>ilway. From here on things got a bit hectic and crews no longer could take thongs so easy . Quite a few competitors fell into a trap near W<sub>a</sub>terford where two dummy control were situated one on each side..of the road. It was very hard to miss one let alone two. From aterford a short run through kingston Woodridge to the finnis control at the Pacific Driveway Shell service St<sub>a</sub>tion. It was quite interesting to hear some of the postmortems on the rally. Provisional results only. N. Dearritt 1st. K. Hunter 2nd. G. R<sub>a</sub>ppel 3rd. Best decorated Car K. Hunter , special prize to N. Winn.
