### **MESSAGE FROM THE CLERK OF THE COURSE**

Welcome everyone to the 2021 Roo Systems Australia Manumbar Rally, Round 1 of this year's Queensland Rally Championship.

On behalf of the Brisbane Sporting Car Club we are delighted to be able to bring this event to fruition having had a disastrous result during 2020 with two non – starts at Manumbar.

The event will be based at Manumbar Campdraft Grounds with Heat 1 having 4 stages then returning to the grounds for a service and Heat 2 completing those stages again.

We have a new stage of 22kms in length which has everything from tight and twisty to great open flowing roads uphill and down dale – a great test.

The event will be using RallySafe and we encourage you to make the appropriate arrangements for the installation of equipment in your vehicle, Scrutineering Safety Audit will take place at Roo Systems Australia on the 14<sup>th</sup> March from 1000hrs through to 1300hrs.

We welcome our new naming rights sponsor Roo Systems Australia with its new ownership and a wonderful supporter of our sport, with mechanical services that suit our membership and you as a competitor.

We look forward to seeing you at Manumbar where there is very limited camping at the Campdraft Grounds with the Campdraft Association carrying out catering Friday night through to breakfast Sunday morning.

Please support them as they are a small group helping make our day a huge success.

Craig Porter  
Clerk of the Course

## **IMPORTANT NOTICE TO COMPETITORS**

The Road Book containing the route instructions for this event has been prepared by the event organisers on the basis of enabling crews to traverse the course. It has been prepared using non- competitive vehicles at relatively low speeds and has not been checked using competitive vehicles, or at average speeds in excess of 40km/h.

The instructions are the organisers interpretation of the course. The tulips or descriptions are not to be taken as an accurate or precise representation of the severity or otherwise of a description or any particular part of the course. In addition, given the methodology used in preparing the instructions, some items may not appear in the route instructions which may become a hazard to either or both the vehicle and crew.

*The organisers issue a warning in the strongest possible terms that the instructions, including the tulips should not be used by crews to interpret or create what are commonly known as "pace notes".*

As is the usual practice in rallying, the competitive and liaison parts of the course traverse a mixture of roads including public and private roads through rural and populated areas. As you would expect, these areas contain animals, both wild and domestic, which may be found on the course during the event. In addition, the roads and tracks used may contain changes in direction and/or surface, which may or may not be in the instructions.

*Accordingly, the organisers advise crews that they are totally and personally responsible for the manner and speed in which they traverse the course and ultimately their own and their vehicle's safety. They should therefore take the above advices together with their experience, own abilities and vehicle into account before commencing any part of this event and traverse the course in such manner and speed at which they are comfortable given the risks involved.*

**Remember – motor sport is considered dangerous.**

## **GENERAL ADVICE TO COMPETITORS**

### **These items have no regulatory value**

<b>Catering</b>	The Manumbar Campdraft Association will provide food and drinks at our Headquarters location from Friday 26 March 2021 evening to Sunday breakfast.
<b>Fires</b>	Fires are not permitted on the grounds of the arena. Fires are not permitted in State Forests.
<b>Medical</b>	EMT Medical Services will be available at Rally HQ for the duration of the event.
<b>Spectators</b>	Spectators will be allowed at the event, however all spectators must be checked in on the Attendance Sheet and pertinent questions will be asked. They will then receive a wrist band which will have to be shown at all entrances to the event.
<b>Camping</b>	Due to COVID-19 Restrictions very limited camping will be allowed on the <b>Manumbar Campdraft Grounds</b> all camping to be booked through the Event Secretary.
<b>Pets</b>	If you bring pets to the event, they must be on a leash at all times however it is requested that they be left at home.
<b>Fuel</b>	There is no fuel at Manumbar and the closest location for fuel would be Goomeri or Nanango approx. 40 kms away. We suggest competitors bring sufficient fuel for the event and include sufficient fuel for service and support vehicles.
<b>Tripmeter</b>	The Road Book for this event was checked by a terratrip wheel driven tripmeter device.
