Wednesday 16th. March.

This event should be a night run with a difference, because organiser Pete Roberts has stated that the total distance is not more than six Miles, of all bitumen roads and you should be able to complete the course at least three times. The run will start at 8P.M. and proceed from the club rooms to Coorparoo and return, with the usual 1. Hours duration.

Indoor Social Evening.

Wednesday 16th. March.

This is an evening at which you will enjoy the use of the Club's sporting equipment, which is there for the use of members at any time.

Night Run.

30th March. Wednes.

This event was to be a barbecue night run the same as held at Capalababur, owing to the fact that no one could be obtained to organise it there will be a night run from the club rooms. At the time of printing this newsletter there is no organiser for the night run. So here is a chance for any member who has a night run partly mapped to organise one. Would you please contact the secretary if you are willing to organise the run.

Barbecue Picnic Run.

On Feb. 10th. a large number of members assembled at the Capalaba Picnic grounds for a barbecue tea and night run organised by Ray Chayter and Keith Maxwell. The run consisted of an hour and a quarter drive through the Redland's district, (Pubs To) with passage controls and even a map section. The run resulted in a very close finish with the organisers using every possible method to decide the winner, who finally turned out to be our President Milton (Bilko) Armstrong, Newcomer K. Bostock was second with M. Rogers third.

Night Run Wednes 24th. Feb.

This event organised by Don George was very good considering that it was his first attempt at organising a night run. The route covered both the north and south Suburbs and was completed by most of the 19 competitors.

oOo

Most members remember the weekend at Tallebudgerra last year and the committee is hoping that again this year that they can obtain from the National Fitness Council the dates of the 23, 24, 25th. April for another weekend at Tallebudgerra. Members desirous of going would they please contact the secretary as soon as possible as there is quite a considerable amount of organising to be done.

News Clippings

Congratulation to Marie and Graham Reed on there recent marriage

oOo

Anyone requiring instructions on the lighting of Barbecue fire should contact Ray (Firebug) Chayter, who really set things ablaze at the recent barbecue night run.

oOo

Many good suggestions have been received in the Club's suggestion box and the committee has already seen that some of them have been carried out, so keep them rolling in.

oOo

Hear Bert Davis is a probable entry in this year's B.P. around Victoria Rally driving a Peugeot 403. This will give the club a great boost down south as well as in Qld. As Bert will probably be the only Qsld. entrant.

oOo

Acertain club member on last Wednesday's night run, seemed to be in a hurry to get some where in a hurry, was stopped by a Wee boy in blue.
