## INTRODUCTION AND WELCOME

---

Dear Rally Colleagues,

Welcome to the 2022 iteration of Rally Queensland. This year's event is once again brought to you by the generosity of Glenn Brinkman whose company, Accent Benchtops has kindly continued as naming rights sponsor.

Gympie is the centre of a large provincial area in South-East Queensland, some two hours north of Brisbane, and is equipped with all the facilities and amenities to make it the ideal centre of the Queensland round of the RSEA Australian Rally Championship.

This year's Accent Benchtops Rally Qld will be held in the forests and on Shire roads to the south-west and west of Gympie - roads some might remember from the days of the International Rally of Qld (IROQ). The Gympie Showgrounds will be the focal point of the event, incorporating Rally Headquarters and the central Service Park, close to the city centre.

Unfortunately, the Gympie area and economy has suffered from 4 floods in the past 6 months, including one near-record flood event. As you would expect, most roads in the Mary Valley were impacted, as were many businesses and residents. However, through the generosity and hard work of Gympie Regional Council (who have come on board again as a major supporting sponsor) and HQPlantations, many of our rally roads have been repaired. I would also like to make mention of the many residents along the rally route for their ongoing enthusiasm and support in letting us race past their properties.

This round will be a Sprint Event for ARC competitors, featuring approx. 180km of competitive stages in a total event distance of some 500km. Testing will be available on Thursday, along with recce of selected stages for ARC crews. Recce will continue Friday of course, as will the very successful and popular "Wheels on Mary" street party which will take place on Friday evening. On Saturday, crews will have 4 stages (run twice), and on Sunday, 3 stages (run twice), which includes the picturesque Power Stage for ARC crews.

The event will also incorporate a round of the 2022 Motorsport Australia Acworth Recruiting Queensland Rally Championship, the Next Level Clubman Queensland Rally Series and Virtual Security Guard Queensland Novice Series where entrants will be able to test their skills against their ARC compatriots on Saturday (Heat 1), with their racing to continue Sunday (Heat 2).

On behalf of the Accent Benchtops Rally Qld Team, I look forward to welcoming you to Gympie.

Kind Regards,  
Brian Everitt  
Event Manager / Clerk of Course
