- Queensland Police Service
- Somerset Regional Council
- All Control Officials and their teams, Road Closures, SOS and Road Cars
- Lessees of forestry land and residents and neighbors on the public roads used in liaisons
- Competitors, Service crews and the many volunteers without whom the Event would not be possible
- Our families

MESSAGE FROM THE CLERK OF THE COURSE

Welcome everyone to The BSCC Test & Tune.

On behalf of the Brisbane Sporting Car Club, we are delighted to promote and present this Event.

The Event will be based at Jimna Base Camp and the Oval as Service Park and Refuel Zone.

This year we will also be conducting live Rally Safe Training for our officials as well as any new competitors wanting to familiarize themselves with the Rally Safe system.

We look forward to seeing you all at the Event.

Please support the Jimna Community and be respectful to the residents and visitors at Jimna.

I would like to thank Barry Neuendorff, John Coleman, Judy Foster and Margaret Mackay and the BSCC Board for all their assistance.

Tony Kabel
Clerk of the Course

IMPORTANT NOTICE TO PARTICIPANTS

The Road Book containing the route instructions for this Event have been prepared on the basis of enabling crews to traverse the course. Non-competitive vehicles have been used at relatively slow speeds as is also the case with the course check, having an average speed not in excess of 40km/h.

The instructions are the Organizer's interpretation of the course. The tulips and their descriptions are **not** to be taken as an accurate or precise representation of the severity or otherwise of a description of any particular part of the course. In addition, given the methodology used in preparing the instructions, some items may not appear in the route instructions which may become a hazard to either or both the vehicle and crew.

*The Organisers issue a warning in the strongest possible terms that the instructions, including the tulips should **not** be used by crews to interpret or create what are commonly known as "pace notes".*

As is the usual practice in rallying, the competitive and liaison parts of the course traverse a mixture of roads including public and private roads through rural and populated areas. As you would expect, these areas contain animals, both wild and domestic, which may be found on the course during the Event. In addition, the roads and tracks used may contain changes in direction and/or surface, which may or may not be in the instructions. Accordingly, the organisers advise crews that they are totally and personally responsible for the manner and speed in which they traverse the course and ultimately their own and their vehicle's safety. They should therefore take the above advices together with their experience, own abilities and vehicle into account before commencing any part of this Event and traverse the course in such manner and speed at which they are comfortable given the risks involved.

Remember – motor sport is considered dangerous.

GENERAL ADVICE TO PARTICIPANTS

These items have no regulatory value

- Catering** Catering for breakfast and lunch may be available at Rally HQ the day of the Event.
- Fires** Fires are not permitted on the grounds of the arena. Fires are not permitted in State Forests.
- Medical** EMT Medical Services will be available at Rally HQ for the duration of the Event.
- Spectators** There will be one spectator point.
- Camping** Limited camping will be allowed on the **Jimna Base Camp Oval**
