

# LAKES HYUNDAI IMBIL FOREST RALLY

Brisbane Sporting Car Club

## FURTHER REGULATIONS #1

PERMIT NO: 424/2408/01

### Further Message from the Clerk of Course (Not Regulatory):

Over the course of 2024, we have tried to find ways to help run events better while still offering our competitors the best possible outcomes. Events that offered good seat time as well as value for money. We've also tried different methods of finding those elusive volunteers that we so very much need, and that number climbs with every revision of the Motorsport Australia regulations. These are about Safety and we must abide by these but it makes our job as event organisers harder to achieve the goal of 100% filled roles. So, we have tried some different approaches and heard your concerns.

We've listened to you and we understand the struggles being experienced with finding the money to compete in these economic times and we understand that some of you run with bare minimum service crews with small opportunities to nominate a volunteer to act on your behalf.

With this in mind, we are making changes to the Supplementary Regulations and changing our fee structure to be simple, and removing the burden of finding a volunteer to nominate. IE: A simple entry fee to pay (**QRC, Clubman & Novice Full Event \$950.00 and Novice Only \$600.00**).

For those who have already entered the event, we'll make arrangements to process a refund of \$100 as soon as we can.

After QRC1 & QRC3, the effort by our Administration Officer Marg Mackay to either invoice you (QRC1) or process a refund (QRC3) added further burden on her time and we thank Marg for her efforts to handle our revolving door of ideas and concepts.

We hope these changes make entering the Lakes Hyundai Imbil Forest Rally an easier and better experience and look forward to seeing you in Imbil.

Lastly, please remember that we need every volunteer we can muster and your assistance with finding them will be greatly appreciated.
